As students and faculty of Texas Tech University, you have access to the University Libraries print and electronic collections. If the TTU Libraries does not own an item you need for your research or design studio, you may request the material through the Document Delivery/Interlibrary Loan Department (DocDel/ILL). Below is the procedure for obtaining these materials.

Once you have the title of a journal article or book that you need, check to see if the library has the material in electronic format. Full-text journal articles are available through TTU Libraries and may be downloaded, saved, or printed.

To register:
- At the Libraries website left sidebar, choose Document Delivery/ILLIAD
- Choose Log in to ILLIAD
- Enter your ERAIDER username/password
- If this is your first time entering ILLIAD, you will be asked to complete the New User Form
- If your address should change, be sure to update your ILLIAD record AND notify ILL by email at: libraries.docdel@ttu.edu. Patrons are responsible for books that are lost, when the books are shipped to the wrong address.

Using DocDel/ILL: If the TTU Libraries does not have the journal article or book that you need in print or electronic format, you may request the material through ILLIAD for Interlibrary Loan: http://library.ttu.edu/docdel/. Most items are obtained for you at no cost.
